DETAILED ACTION

1. This office action is in response to Appeal Brief dated: 7/24/06. Based on this "Appeal Brief", claims 1-33 are pending.

2. Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas W. Humphrey, Attorney, Reg. No. 34,353 on 10/10/06.The application has been amended as follows:

Refer to claim 1 line 10. Limitation "said analog telephone line" has been replaced by "---said analog telephone connection---."

Allowable Subject Matter

4. Claims 1-33 are allowed.

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose, teach or suggest directly, or indirectly the following limitations in combinations with other limitations of the claims, as follows:

As recited by claim 1,

"receiving an analog telephone call from said analog telephone line at said call forwarding manager, and responding to said reception by generating a request for service from said voice gateway";

As recited by claim 13,

"said call forwarding manager receiving an analog telephone call from an analog telephone line, and responding to said reception by generating a request for service from said voice gateway",

As recited by claim 25,

"an analog telephone connection for connection to said analog telephone line to capture data selected from the group comprising dialed number information service data or and automatic number identification data, and

a digital communications connection for delivering a request for service with data selected from the group comprising said dialed number information service data and said automatic number identification data".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany

the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
